# Library Services: Tutorial self-enrollment instructions

Some library tutorials and quizzes are now available as Canvas courses. To take these tutorials and quizzes, you must first self-enroll in the Canvas course.

Self-enrollment is quick and easy.

1. Follow the special self-enrollment link for the course. You can get the link from your instructor or **Library Services** **(https://learningcommons.dccc.edu/library-services)**.
2. If you are not already logged into **delaGATE** **(https://delagate.dccc.edu/)**, you will be prompted to do so.
3. You will be redirected to a Canvas notification that you are enrolling in the tutorial. Click *Enroll in Course* to confirm.

4. You are now enrolled. You can start the course right away, or go to your Canvas dashboard.
